

## Sportogril™

Generated on 19.10.2018

### Detailed description

A well-proportioned product which lends itself for use with sports pitches and multi-use games areas (MUGA's) either for educational or professional sports.

#### Features/ Benefits:

- Simplistic design - blends into any situation.
- Excellent rebound properties - amenity or professional sports.
- Modern appearance - contemporary and timeless.
- Available in any RAL colour.

#### Applications:

- MUGA pitches.
- School play areas.
- Professional sports.
- Amenity areas.

#### Gates:

The UniGril range of products are available with gates to complement the fencing, these come in various widths and heights in either cantilever or swing with a fully automated option. All gates meet the normal exacting standard and where applicable comply with the latest legislation. A full range of RAL colours available. Consult manufacturer for details.
